Docket No. 98-N-1265
Food and Drug Administration
5600 Fishers Lane Room 1061
Rockville, MD 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Comments: I have an illness which
individualized medication keeps under
control. Please do not take away
my access to this service!!! Specialty
pharmacies provide a service that is not available
to me and my doctor from commercial pharmaceutical
manufactures or most local pharmacies.
